

## **SPONSOR A CHILD**

Child Sponsorship is a great way to help children in need. In return you can see the real impact that your support has made. **Give the gift of Education.** Sponsor one year of boarding school education for a deserving orphan. Your contribution encompasses room, board, basic healthcare, textbooks, uniforms and enrollment in one year of primary school.

*"The passion, energy and love which Meghann has for these children is contagious. And the opportunity to make a difference in the life of one of them through sponsorship was one I welcomed without a second thought. The Foundation for Tomorrow provides the means for hope and a future where there would otherwise be none. I feel blessed to share in this."*

*Judy Layne, Sponsor of Yusufu Loigera Ngotiko since 2005*
